Tim,

Attached you will find the above agreement regarding our new server/computer installation. Please review, execute and fax back to my attention at 654-0393 at your earliest convenience.

I can't tell you how pleased I am with this project thus far. Jeff Pringey is the new "golden boy," as far as I'm concerned. He is very professional, speaks to me in laymen's terms, and it is evident that he LOVES what he does. Jeff tackles any challenges presented to him, and is very pleasant to deal with. Given my past experience with these types of conversions, I'm somewhat skeptical; however, Jeff has put my fears to rest (I actually SLEPT SOUNDLY last night). With the day-to-day stresses I have in managing the practice, it is a major relief to know that we're in good hands.

A handwritten signature in black ink that reads "Tim O'Malley". The signature is fluid and cursive, with a long horizontal stroke underneath the name.
